TERMS AND CONDITIONS

We strive to provide the best products and services at a reasonable price for potential and ordering customers. This informational instruction is targeted to provide as much informational material as possible in order for potential customers to make an educational decision. Our products are designed to provide an optimal shelter and protection solution at a reasonable cost. The terms and conditions below apply to the products described on this website.

We are not responsible for any of the following as a result of usage of these fabric structures. This list includes (but is not limited to) the following: loss of wages, loss of income, depreciation, property damage, litigation costs, equipment or vehicle rental, equipment damage, construction costs, fuel costs, appraisals, livestock or animal loss, and bodily injury or death. We strongly recommend purchasing insurance for all structures in the rare event of damage due to any of the above stated items.

Although our shelter products are considered "temporary/portable structures" and typically do not require building permits, The manufacturer recommends all prospective purchasers consult local authorities on building permits prior to purchase.

We also assume no responsibility for any "human caused" or "animal" related incidents. This list includes (but is not limited to) the following: fire, vandalism, chemical interaction, falling objects, damage caused by animals or insects, **miss assembly, improper anchoring, lack of proper maintenance/care**, and additional weight added to the inside or outside of the structure.

Although our fabric structures perform well under a variety of weather conditions, no snow or wind load ratings are provided due to the "portable structure" nature. As a result, the manufacturer assumes no responsibility for damage or destruction caused by any Act of God. This includes (but is not limited to): wind, snow, hail, lightning, hurricanes, tornadoes, volcanoes, rain, avalanches, fire, or flooding.

Product purchase constitutes acceptance of the above terms and condition. Manufacturers/distributors/retailers of these products are not responsible for the following:

- (1) Used products;
- (2) Any product that has been used, altered, or modified in any way;
- (3) Depreciation;
- (4) Damage caused by lack of reasonable and proper maintenance;
- (5) Failure to follow instructions, directions, drawings
- (6) Improper installation, misuse or lack of proper protection during installation, use or storage;
- (7) Damage resulting from accident or falling objects;
- (8) Damage due to normal maintenance or lack thereof;
- (9) Exposure to harmful chemicals, fumes, or other substances, foreign or natural in the atmosphere;
- (10) Acts of God, which includes but is not limited to, wind damage, excessive snow

load, flood, hail, tornado, sleet, ice, fire;

(11) Unforeseen causes or circumstances, such as but not limited to: added load to the structure, or any other external forces

(12) Product which is not in the possession of the original purchaser;

(13) Structure is not properly anchored or installed;

(14) Third party installation fees are not covered under warranty

(15) Loss of income, wages, travel expenses, personal property, equipment rental, fuel, and/or property value are not recoverable

(16) Any condensation damage to the product and its contents.

End panels are excluded from any warranty regardless of the product series or classification.

FAILURE DUE TO IMPROPER INSTALLATION OF THE PRODUCT IS NOT COVERED UNDER WARRANTY

If a product/part is deemed to be defective & not caused by the purchaser and within the warranty term limits, Our company will provide replacement parts at no charge to the purchaser. Examples of defective parts are (but not limited to): torn covers, holes in cover, bent bolts, broken ratchets.

RETURN INFORMATION

We don't offer product return with any restocking fee. It is also the customer responsibility to pay for returned product shipment to and from the final destination. It is also customer responsibility to arrange delivery of the returned product to the manufacturer in the original condition (which includes packaging). Upon suitable assessment of the returned package, the refund will be provided. We reserve the right to decline product returns under certain conditions.

Product ordering and payment constitutes acceptance of the terms and conditions stated above.
